

# Suiderstrand Association.

Dear Suiderstranders,

1. Logo for the Association.

The Suiderstrand Association is presently looking for a suitable logo. This will be used as a letter head, on information documents, notice boards, road signs and on clothing. You are cordially invited to make proposals for this by sending it to

[suiderstrand.association@gmail.com](mailto:suiderstrand.association@gmail.com) before 18 June 2024.

2. Actions by the Association.

You are also invited to propose actions which you believe the Association should undertake to serve our community. This Association is your association and you should not hesitate to give your opinion as to what it should do on your behalf. The Association is presently involved in the following:

- Fire Protection,
- Removal of alien vegetation (2 Saturdays per month),
- Interaction with Park about escape routes and fire breaks,
- Interaction with CAM regarding a new policy about cleaning of plots, advertisement boards, speed bumps and flood water courses,
- Cleaning of the beach (once a month),
- Community market (every first Saturday of the month)
- Encourage involvement in iNaturalist initiative,
- Information boards to deal with emergencies, promote conservation and to encourage people to drive slowly.

For more information see [www.suiderstrand.co.za](http://www.suiderstrand.co.za).

3. Invitation to become a member.

You are also cordially invited to become a member of our Association, if you are not already one. Membership fee is R150 per year. We believe it is the best you can do to preserve and promote your Suiderstrand interests and community. Please phone Anita at 0825564514 for more information to join as a member.
